

Medical Laser Solutions, PC
Financial Policy

Payments

Credit card payments (Mastercard, Visa, Discover) are due in full at the time of your visit for all services performed including packages.

Cash or check payments for packages can be divided as follows:

- 50% of balance due at the time of your first treatments
- remaining balance due on or before your third treatment

No Refunds will be given. However, if there is money remaining, it can be put towards any other laser treatment.

Additional Treatments performed beyond the package of five, will be charged 50% of the single treatment price. This includes any treatments previously done at a promotional or discount rate. In the event that there are “a few hairs” in an area that has been lasered in the past, the cost will be \$2 per pulse. If you have not purchased a package for that area, the cost is \$4 per pulse. If a package had been purchased in the past for this area, the cost will not exceed 50% of a single treatment price for that area.

Cancellation Policy:

It is important to call if you are unable to make your appointment. We require a minimum 24-hour notice. **There will be a minimum fee of \$75.00 or half the treatment cost, which ever is greater**, for anyone that fails to show or does not cancel at least 24 hours prior to a scheduled appointment. We have invested a great deal of money into the most advanced lasers and medical staff to provide you with the best results. If you fail to show up for your appointment, this amounts to considerable lost revenue, which in turn will result in future price increases. You are extremely valuable to us as a customer and it is not our intention to offend anyone. Thank you in advance for your cooperation.

Returned Checks

Should you submit a check that is presented with insufficient funds, you will be responsible for a \$25 returned check fee.

Overdue Accounts

Should Medical Laser Solutions be forced to collect on any funds due and unpaid after 60 days, you will be responsible for Medical Laser Solutions attorneys' fees and costs in collecting the amounts due once the matter is placed into collection with Medical Laser Solutions attorneys. These amounts include attorneys' fees at \$250 per hour, as well as Court costs and other costs associated with the collection of funds due Medical Laser Solutions.

This is a binding legal contract under Massachusetts law.
